

**American Society of Safety Engineers  
Kuwait Chapter  
PRESS RELEASE**

Mr. Garlapati Ashok, Secretary of American Society of Safety Engineers, Kuwait Chapter announced in its 60<sup>th</sup> Executive Committee meeting held on 15<sup>th</sup> May 2005 that the chapter has selected four delegates to attend the HSE Professional Development Conference at New Orleans, USA from 12<sup>th</sup> June '05 to 15<sup>th</sup> June '05. He proudly stated that the Kuwait Chapter is one of the active ASSE chapter in the world, which represents about 10 % of 1500 international ASSE members. The ASSE-KC is the only umbrella in the State of Kuwait providing the latest updates in HSE field for its members and also involves in public awareness programs for students and general public. As part of the Chapter Strategies, members are given umpteen opportunities to develop their professional knowledge. The chapter also has a tradition of sending its delegates to USA for attending the annual Head Quarters professional Development Conference. This opportunity is given to members, who have contributed for the Chapter development and involved in its activities as per the set criteria. He announced that following active members have been selected for the year 2005. Mr. Fadel Al-Ali, Chairman, Mr. Tareq Al-Aslawi, Head of Publication Committee, Mr. Ashok Chandra Lenka, Advisory Committee member and Mr. G. Muthu Kumar, Head of Outreach Committee. ASSE-Kuwait Chapter wish them a good luck & Safe Journey.
